# PANCHAMUKHI SHIKSHANA

## A GURUKULA SYSTEM OF EDUCATION

**Rashtrottthana Vidya Kendra** a CBSE school was established during 2013-14. The basic system of education is known as **“Panchamukhi Shikshana”**, a value based education for the all round development of a child which comprises of **Physical, Emotional, Psychological, Intellectual and Spiritual** educations, known as **Gurukula** System of Education.

### PHYSICAL ASPECT

Indoor and outdoor games along with Martial art 'Karate', are conducted to make the child physically fit, as healthy mind revolves round healthy body. We give utmost importance to child's balanced diet as it is essential for the proper growth and all round development. Hence parents are being guided about the food arrangements to their wards.

### EMOTIONAL ASPECT

Children are **“Emotionally”** enriched by learning dance, drama, music, art and crafts along with celebration of various Jayantis and Festivals of our rich Bharatiya Culture, Heritage and strong ethical values. As a result of which, child's personality is enriched and enlightened with love, loyalty and proactive patriotism in general, family, society and our motherland in specific.

### PSYCHOLOGICAL ASPECT

**Yoga** is essentially a way of life that integrates the means of harmonizing the body, mind and spirit that elevates the child psychologically. There are eight steps : Yama, Niyama, Asana, Pranayama, Prathyahara, Dharana, Dhyana and Samadhi which elevates the psychological aspect of the student. Through a series of postures, breathing exercise, Asanas, Mudras, Pranayamas and Meditation children are enlightened with various yoga of actions that helps them to plan purposefully, prepare prayerfully, proceed positively and pursue persistently so as to create their own beautiful world.

### INTELLECTUAL ASPECT

We provide the **psychological** and academic ambience by ensuring vibrant creative and innovative environment to the child, where the teacher deliberately provokes the taught to think and ask questions, challenge them with new ideas, as a result of which the entire process seeps into child's subconscious mind that learning is an active and joyous process. Our system charts out the broad outlines which makes a smooth transition into a new educational paradigm with **“Multiple Intelligence”** i.e. linguistic, spatial, kinesthetic, interpersonal, intrapersonal intelligence etc., where the children and the teacher venture into an experiential journey of self discovery, rich with life changing insights and their practical application in every day's teaching and learning process.

### SPIRITUAL ASPECT

We ensure **“Spiritual”** environment filled with serenity, joy and beauty which are consciously cultivated through prayers, chanting of Shlokas, Bhagwad Geeta, Veda Mantras and performing Agnihotra as part of regular activity.

## BIRTHDAY CELEBRATION

### At a Glimpse

The noblest thought of Swami Vivekananda **“They alone live who live for others, the rest are more dead than alive,”** has been imbibed and inculcated among our children in RVK.

This is the motto of Birthday Celebrations for every child in our School. To implement this ideology, following activities are guided to the students and parents :

- The student has to come in traditional dress.
- Parents must accompany the child/student.
- If they feel, they are expected to bring only home made sweets.
- The student will take part in Deepajwalana and Homa before the deities.
- He/She will participate in the prayer after which will introduce her/him self to the assembly.
- Teachers will perform Arathi to the child and, he/she gets blessings from the teachers and elders present.
- At the end the children will be blessed by chanting **“Mrutunjaya Mantra”** by the assembly.
- The student offers **“Samarpana Nidhi”** which will be used to help and educate the orphans and slum dwelling poor children of our society. As we know the hands that serve humanity are a lot better than lips that talk of divinity.

In fact the beautiful world has given us an opportunity to help others. By helping others, we help ourselves and realize the essence of **“Service to mankind is Service to God.”**

Parents are also invited to perform **Homa** and participate in **Samaparna Nidhi** in their Birthdays.

## CURRICULUM

RVK takes a new step in the direction of curriculum delivery with "**Panchamukhi Shikshana**". This approach to education is aimed to develop different aspects of a child's personality. The tenets of Panchmukhi are introduced into the curriculum bringing about an overall development and change in the behavioural activities of the child.

### Pre- School

( Nursery, L KG, U KG )

Trained and experienced staff are guiding the children in required Methodology to develop sensory skills, verbal skills and physical co ordination. The curriculum thus designed is aimed at imparting the growth of the child, resulting in tangible behavioural change.

### Class 1 to Class 5

RVK has introduced work sheets for children in this group. The work sheets are designed in such a way where the child will be motivated to use multiple skills to develop the ability to recall and apply knowledge.

### Class 6 to Class 10

RVK has introduced NCERT books for this group. This has been done keeping in tune with the latest recommendations as suggested in the 2005 NCF and the CCE method of evaluation. The curriculum delivery will be integrated with **Panchmukhi Shikshana** to ensure an overall development of the student.
